

ART CLASSIC INTERNATIONAL

JEPARA

Art Classic International offers furniture needs, interior design and 3D ideas for your property. Art Classic International was founded by Sutrisno Tri Widodo in 2006. We have completed many projects for hotels, villas, beach clubs, restaurants and private residential homes in many countries. We serve end users, retail and wholesale customers with a wide and varied range of high quality Indonesian furniture and products. We offer a large collection of classic and contemporary indoor and outdoor furniture. All our products are carefully designed and created by our skilled craftsmen and designers. Innovation and creativity are always our priorities in the design and manufacture of our products while keeping up with global and future market trends. Our mission is to leverage our strong foundation and knowledge in the furniture export business to efficiently deliver premium, high quality and competitively priced products from Indonesia to international markets with the highest level of customer service standards.
